Therefore, if Question #2 is not approved, dissolution will not take place. • In addition, no transfer of ownership of the South Hunterdon Regional High School Building and grounds will occur; no capital indebtedness will be assumed by any of the four school districts; and no change in the borrowing margin will occur for any of the districts. 	
SOUTH HUNTERDON REGIONAL HIGH SCHOOL DISTRICT WEST AMWELL TOWNSHIP REFERENDUM QUESTION #2	
Shall the Boards of Education of the Lambertville School District, Stockton School District, and West Amwell Township School District join and create an all-purpose regional PK-12 school district, the annual and special appropriations for such regional school district to be apportioned upon the following basis: 57% on each municipality's equalized valuation allocated to the regional district as provided by state law and 43% on the proportional number of pupils enrolled from each municipality on the 15th day of October of the prebudget year?	YES <input type="checkbox"/> NO <input type="checkbox"/>
INTERPRETATIVE STATEMENT #2 The future configuration of the current four school districts will be affected by the results of BOTH referendum questions. Passage of both Questions #1 and #2 is necessary for regionalization to take place. If approved, the West Amwell Township School District, the Stockton School District, and the Lambertville School District will be dissolved and the three will unite to form an all-purpose regional school district responsible for the education of all PK-12 students residing in the three communities. Ownership of the South Hunterdon Regional High School building and grounds, the West Amwell Township Elementary School building and grounds, the Lambertville Public School building and grounds, and the Stockton School building and grounds, will pass to the newly-created all-purpose regional school district. The newly created all-purpose regional school district will assume the school debt of each constituent school district, which, as of June 30, 2012, totaled \$18,075,901. Based upon this level of debt, the newly created all-purpose regional school district will have an available borrowing margin of \$36,624,910. The local tax levy for the newly created all-purpose regional school district will be allocated each year among the constituent municipalities of Stockton, Lambertville, and West Amwell. The "annual and special appropriations" formula in Question #2 refers to the way in which the State will allocate the tax levy among the three municipalities each year. Therefore, 57% of the tax levy will be allocated based upon the relative equalized property values in each of the three municipalities, while the remaining 43% of the tax levy will be allocated based upon the relative number of pupils enrolled in the regional district the previous year from each municipality.
